Patrick-

As just discussed on the phone, at Marcia's suggestion, Cecil Rodrigues has cheerfully volunteered to substitute for Shawn at the Inn of Court gabfest next week. Cecil has been significantly involved in Marcellus related issues for ORC and the Region.

Can you send on to Cecil and me the specifics of this event (where, when, how many folks are expected in the audience, other panelists, format and duration of the presentation, any publicity that has already gone out, etc.). I don't think that Cecil is thinking about a powerpoint, but is that an option?

I've forwarded to Cecil the message below from Mike D'Andrea. As Mike notes, we understand that Dimock will not be publicized as a discussion topic.

Thanks,

Bill Smith

Patrick,

Regional Administrator Shawn Garvin is available to speak at the Delaware Valley Inn of Court program on April 25 with PADEP Secretary Michael Krancer.

Shawn will be prepared to talk about our approach to energy extraction issues and Marcellus Shale. He will also be prepared to talk about the interaction between PADEP and EPA with Secretary Krancer. However, our activities in Dimock are still on-going and it would not be appropriate to discuss at this time. It will be fine if issues surrounding Dimock surface during an open discussion, but we do not want it listed as an agenda item where attendees would expect

a full/detailed outline of Dimock. Please let me know if you have any questions/concerns with this constraint.

In your previous email you provided information about the starting time, but didn't mention the location. Can you please provide information about the meeting location and expected attendees (# and who they represent).

Please call me when you have an opportunity to further discuss this event.

Thank you for your help in coordinating Shawn's participation.

Mike
